About Company:

US Tech Solutions is a leading Global Consulting and IT services company. We offer a wider range of solutions customized to various verticals and horizontals, as well as providing system integration and strategic consulting right through IT implementation to our customers. We have excellent domain expertise in verticals. As a diverse end to end IT solutions provider, US Tech Solutions offers a range of expertise aimed at assisting customers to compete successfully in the ever changing IT industry. We provide long term solutions with quality as our main focus. Our main branch is located in Jersey City, NJ, and we also have dedicated offshore development centers around the world. US Tech Solutions offer end-to-end IT consulting services using the best practices in the industry. Our solutions include Software Development Services, Engineering Services, Systems Integration, ERP Solutions, Customer Relationship Management, Supply Chain Management, Product Development, Electronic Commerce, Consulting & IT Outsourcing. Why US Tech Solutions?

US Tech's key objective is to provide organizations enterprise-wide, business process visibility & technology optimization by utilizing our proprietary methodologies we've named, TechIT™. These tools quickly identify the critical core business process constraints inhibiting revenue and earnings growth and to assist our customers to better understand if their business process initiatives are providing measurable and sustainable improvement results.

US Tech' strengths lie in its ability to assist organizations to create seamless operating environments where business strategies, processes, people, assets, and information technologies perform at their highest potential. This environment produces real competitive advantages and measurable hard

dollar returns. Furthermore, shareholder value, an increasingly important issue, becomes quantifiable with US Tech. For more information, please visit: www.ustechsolutionsinc.com
